Our company:

- We choose to use recycled/biodegradable packaging and our ethos supports environmentally responsible best practice
- Our wood is sustainability sourced for our oven.
- We practice the principles of health and sustainability and understand the impact of catering on peoples health & the wider environment.
- We are members of the Greenwich community development agency (GCDA) and support the GOODFOOD in Greenwich program
- Look for our GOODFOOD in Greenwich pledge towards a fairer, healthier and more sustainable Greenwich @ www.goodfoodingreenwich.org
- We have signed a "Sugar Smart" pledge with Greenwich & Bexley borough and are reducing added sugar in the products we sell and promoting the "Sugar Smart" campaign

We are proud, long term residents Bexley and we give back to our community by attending/catering for at least one fundraising event a year.

Festivals & Events pitch requirements:

There are numerous excellent reasons to have Foxy's Wood Fired Pizza at your festival or event. Here are just a few of the more logistical ones

- Our Silver aluminium backed VW Retro tourer Van & Bushman wood-fired oven with the whole pizza cooking experience is fully visible to the public, making it a spectacle at any event
- The van has multi coloured led strip lighting within the van to add a highly visual effect to any function.
- We have a mobile cool room and a 3x 3 marquee for large festivals.
- Our van is 6.00 l x 2.3 w mtrs (6.5 when the tailgate is raised) and weighs 3 tonnes so is not suited to small gardens and narrow lanes.
- We have a Level 5 food hygiene rates with the London Borough of Bexley and all food handling staff are training to a minimum of level 2 in food and hygiene.
- The complete set-up is supplied by us including marquees and serving tables if required.
- The food preparation and washing up areas are out of view of the public
- Our oven is a custom built Bushman oven in the UK and can cook a pizza in less than 90 seconds , holding up to 3 hand made to order 10-11 inches pizzas at a time
- We are experienced at what we do and can 'hit the ground running' with our expert team.
- We have £10,000,000 Public and Product Liability with Giles insurance brokers.
- We are members of NCASS
- We compost our food waste & recycle our bio degradable plates ,pizza boxes offsite.
- We can arrange for a temporary event notice to supply & sell alcohol on your premises, this requires a minimum of 30 days notice and is a £60 charge.
